## A MESSAGE FROM PASTOR WAGNER

Dear Church,

We have all seen the phenomenon of choking in sports - when the hopes and expectations of an entire city or country rest on the padded shoulders of one star player. Every now and then a player rises to the occasion and saves the day with a decisive goal, a home run or a basket that earns them "eternal" gratitude from the fan base. The definition of 'eternal' in the world of sports is not a long-lived affair. It might last a year... or more likely until the new season begins. Fan bases are fickle and have notoriously high expectations for their teams. Choking occurs when a player feels so much pressure that he or she can't perform when it counts most. It is quite common. (We are hoping that the Eagles won't choke. They look great this year!)

---

***“For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace.”*** Isaiah 9:6

---

This Messianic proclamation feels like it would surely choke whoever may become the anointed one. Are these expectations realistic? Can they ever be fulfilled? We know that the expectations we have for our presidents in the US are generally too high. Every four years we look for Mr. or Mrs. Fix-it and usually our expectations (and theirs) collide with reality. The government must rest on more than one person's shoulders, no? Peace must be brokered between divided parties, which is hard and often frustrating work and involves many people. Whatever Isaiah saw in his crystal ball, it pointed to someone, something greater than a mere mortal. He even says it: "Mighty God."

The Christmas story and the gospel of God Incarnate is as wondrous and daring today as it has always been. It takes this Jewish dream to the cradle of Bethlehem and proclaims it fulfilled. It brings humanity together in a backwater town. It makes room where no room can be found. The star above confirms that we are dealing with something that comes from the heavenly firmament.

## PASTOR'S MESSAGE CONTINUED

This text has never been about a human being or an earthly king or queen – or a president or the traditional Messiah. Any such person would choke inevitably, and their hubris would cause harm sooner or later. We need to put our greatest hopes in God so that we can be more realistic and measured in our expectations of people, leaders, humans... This time of year, we allow this dream to grow in our hearts and we place it where it belongs: onto the invisible shoulders of Christ our Lord. He may be called “Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace.” He won’t choke.

Have a blessed Advent/Christmas season.

*Pastor Andreas Wagner*

## PARISH UPDATES

### Baptisms

On Reformation Sunday we celebrated another outdoor Baptism. **Nola Salerno** received the Holy Sacrament in a traditional Baptism gown that has been passed on from several generations in her family, dating back to the late 1800's. Her mother Liz was baptized in it. Nola visibly enjoyed all the attention she received in this moment of grace.

On October 9, **Sidney Kratz** was baptized. It was a beautiful day, and she was old enough to perhaps remember it as her parents, godparents, siblings, and other family members looked on. The Baptism had been delayed because of the pandemic.

### New Members

We were blessed to receive another group of new members to our church on Reformation Sunday. We hope that you will have the opportunity to get to know them:

- Boris & Joanne Borichevsky
- Elizabeth & Steven Fitzgerald
- Karen Haber
- Thea Johnson
- Melissa Kalb
- Linda & Bill O'Brien
- Betty Rogers
- Elizabeth (Liz) & Nola Salerno
- Carol Seipp

### Funerals

We had a heavy month with several unexpected losses, including middle-aged people. Our prayers continue to go out to family members as they mourn, cope, and try to find their bearings.

- ◇ **Michael Arena** died suddenly at the age of 42 on October 11. He left behind his wife Crystal, daughter Coleen and son Leo. The community rallied around them with loving care and raised money for the funeral. Pastor Michael Carlson led a Memorial Service at church on the following Saturday, Oct. 15.
- ◇ **Paul Smith** was the middle son of Olga and Dave Smith. He died of a heart defect in a hospital in New Jersey on October 16. Paul was well-known to us and had been a part of the St. Peter's community for many years before moving to the Poconos. He was 53 years old. He leaves behind his wife Roberta, three children (Keith, Brian, Lisa) and several grandchildren. His service was held at church on Monday, October 24. Many stories and tributes were shared and greeted with both tears and laughter.
- ◇ **Oswilla Mc Govern** had died earlier on September 25 after an intense struggle with cancer. Relatives from out of state, close family, former colleagues, as well as students from Montco Tech, and many church members flocked into the church for her November 21 Memorial Service. The choir, which she had served for many decades, sang. Her role in family, church, and education was celebrated. During her long membership at St. Peter's, she served as Council President and Director of Christian Education. Please pray for her daughter Maria and granddaughter Lilia.
- ◇ **Alfred (Al) Ledder** reached the proud age of 94 and passed away on Friday, November 25. He was a tall man with a big heart and a sharp mind. He was also a man of faith. Al was born to German immigrants in Philadelphia in 1928. He remembered Psalm 23 and the Lord's Prayer in the language of his parents to his last days. A service was held for him at Lowne's Funeral Home in Lafayette Hill on December 3. He leaves behind his wife Helga, sons Craig and John and their families, including four grandchildren.

## CEMETERY COMMITTEE

The cemetery will not sit idle this winter, and it's not because we are expecting a lot of activity at the Columbarium. (Hopefully not!) We have accepted TJ's Outdoor Maintenance proposal to establish a walking path from the Prospect Street entrance to the Columbarium. Off-season work on one of the side walls is also expected to take place in the next few months. Pete Sinotte planted several small shade trees at no cost to the church. He literally dug most of them out in the mountains. Historical markers and new benches will also be added in the spring of next year. For those various upgrades we will hold a fundraiser early next year, probably starting in January. People can make a direct donation to the cemetery or purchase a Memorial Tree (with a plaque) or a Memorial Bench up there. We will also renew our efforts to have people purchase a niche in our Columbarium for future use. The walkway alone with pavers around the Columbarium will cost approx. \$11,000. It will enable people to safely navigate their way to the columbarium, including people in wheelchairs and with walkers.

## DEVOTIONAL BOOK PROJECT UPDATE

Next March it will be three years since we started the Devotional Book Project at St. Peter's. We have completed approximately 280 devotions so far, written by twenty-two different writers. By the end of June 2023 all devotions will be completed, and we will proofread the entire body of texts one more time and get it print ready. Around this time next year, you will be able to purchase our **Devotional Book** with a spiritual message for every day of the year. I would like to thank all who are contributing to this project. We are entering the final stretch!

## CHILDREN, YOUTH & FAMILY MINISTRY

Spark and Youth children of St. Peter's have been busy these last few months learning about God and the love he shows to all of us. Our faithful teachers, Suzanne Shaffer, Gretchen Flanagan, Darin Gross, along with our Interns from Gwynedd Mercy, Jackie and Nadia, have been teaching wonderful lessons with games, activities and even a Jesus Four Cheese Pizza lesson! Hey, who doesn't love pizza? George Gross has been working with the Youth Group on Sundays during the second service. Confirmation students continue to meet each Sunday after the 2nd service.

**First Holy Communion** Eight children received the Sacrament on November 6th: Avery Charles, Mae Garrity, Brody Inman, Fox Kane, Austin Hain, and Stephen, Nora, & Grant Staudt.

**Mitzvah Center Trip** On Sunday, November 13th, a group of children and adults volunteered at the Mitzvah Center warehouse near Norristown sorting and packing items to help families in need in our surrounding communities.

**Mitzvah Circle**

*Serves families walking along life's edge by providing over 100 products including clothing, diapers, new strollers and car seats, toiletries, household items and other necessities.*

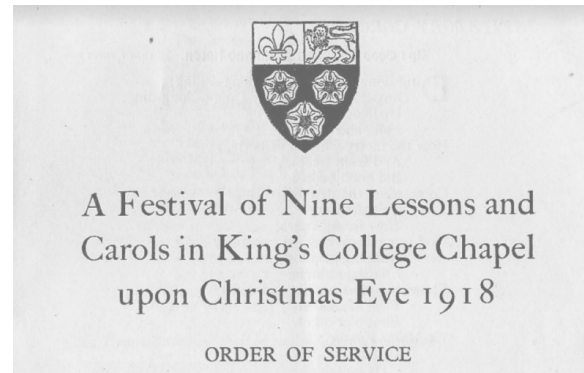

**Christmas Eve** Our traditional Christmas Eve service for Families is at 6:00 pm. Contact Jenn Bodolus if your child would like to participate in the service. Jenn is looking for readers, worship assistants, and young musicians to help bring the Nativity story alive. We look forward to seeing you there!

## A MESSAGE FROM SAM TARASENKO MUSIC MINISTER

Happy Advent and Merry Christmas! December is upon us and we'll be celebrating the New Year in the blink of an eye. The music ministry has been working on a lot of exciting music. On Dec. 4th, you'll heard the choir sing at the 10:30am service while Maureen Tang provided beautiful cello music during both services. The Belles will lead spirited services (as they always do every second Sunday of the month) on Dec. 11th. If variety is your thing, A Common Thread will lead an upbeat Advent and Christmas themed service on Dec. 18th. They have been preparing for months and are excited to share a contemporary approach within a traditional setting. (They will subsequently appear every six weeks).

Christmas Eve is the pinnacle of this season. We will have three services: 6:00 pm, 8:00 pm, and 10:00 pm. Each service will be unique. The 6:00 pm is a family service put together by Jenn Bodolus. To cite Professor McGonagall from Harry Potter, it will be an evening of "well mannered frivolity" replete with costumes and storytelling. The 8:00 pm service will be based on the King's College Service of Lessons and Carols, a tradition spanning back to 1918. This service arose out of a need for "more imaginative worship" in a society emerging out of a brutal war. It was carefully crafted by Eric Milner-White, the dean of King's Chapel, who borrowed from "ancient sources a little service for Christmas Eve – nine carols and nine tiny lessons, which were read by various officers of the Church, beginning with a chorister, and ending, through the different grades, with the Bishop." Finally, the 10:00 pm service will be the most meditative. It will feel like a Sunday service but with added Christmas music and guest musicians.

What can we expect in the New Year? To put it simply, the unexpected. I anticipate growth in the

choir, emergence of small special music groups, and a bigger presence of A Common Thread. My goal is to use the best elements of high church worship while fusing it with the informal "feel" of St. Peter's. Our biggest strength is our community. That sense of care and familiarity is something we never want to lose. However, we shouldn't down dress and popularize church into something devoid of majesty and reverence. Often these two ideas compromise each other rather than enhancing one another. Some things will work; others won't. Anticipate something new every week and keep an open mind to the unexpected!

I am optimistic for the future. God is leading St. Peter's in a new direction. It is our job to listen to the voice of the Holy Spirit as we "press on the upward way" and stay relevant in a secular world that needs a spark of the divine. Until the new year rolls around, I wish you all a Merry Christmas and a minimally stressful holiday season.

Warmly,

Sam

## ST. PETER'S SOCIAL MINISTRY UPDATES

**Good Gifts** Thank you so much for your generosity in this year's Good Gifts collection. As of Nov 28th we raised \$2,118. We will purchase 2 family farms - each farm contains a cow, a pair of goats, a dozen chicks, two pigs, farming tools, seeds, and agricultural training. With 1 or 2 donations still outstanding, we will easily reach \$2,145, enough to buy 3 farms! Thank You! Thank You! Thank You!

**The Gemma Giving Tree** (Silver Springs Martin Luther School) is up and ready. We have more than 40 gifts to choose from. Here is what you have to do. 1. Pick a gift 2. Buy the gift. 3. Bring the unwrapped gift back to church by December 11 for delivery to Santa's Workshop at Gemma. If you missed a chance to pick a gift check out the list provided for other needed gifts and stocking stuffers. If you have any questions just ask Robin. Thank you for making a child's Christmas special.

Update on our friends from **New Creation Lutheran Church**. A large delivery was made in November to the church of food, clothing, and blankets. The food and some of the clothing was given to the members of New Creation. What they can't use along with the blankets were then handed out to the homeless in the area. St. Peter's sent a check to help New Creation renovate the apartment next to the church. A work day was held to help with the work. A small but mighty group worked on floor in the bathroom, painting, dry wall patching, and moving old appliances out. There is still a lot of work to be done but we are getting there. If you interested in helping with a work day. Please let us know. We are planning another work day in January.

St. Peter's donated 5 bags of **Everything But the Turkey** for the families in the community based programs at Gemma ( Silver Springs). The bags included a gift card for a turkey, dinner, dessert fixings, and the pie and turkey roasting pan to cook them in. Thank you for your support of this ministry.

**Laurel House 5K** Many thanks to Karin Clark, Stephanie Freidly, John MacInnes and Mia Woods for their efforts to run and raise funds to support Laurel House. The team raised \$430 towards its \$500 goal! Laurel House provides support services to victims of domestic violence. Thank you again runners!

People suffering from natural disaster, military conflict, and uncertainty in their lives, especially the people of the Ukraine.

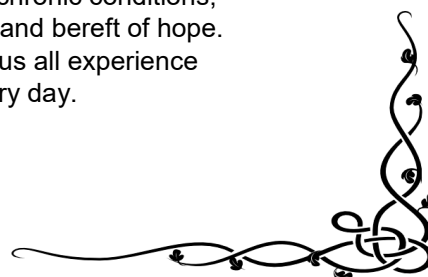

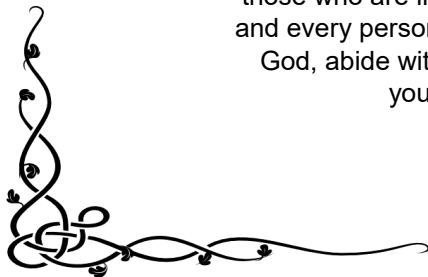

Holy God, Creator of all that is,

Once again you delight us with fall colors and smells  
 and we thank you for crisp, beautiful days.  
 Yet many near and far, are experiencing extreme weather conditions  
 that have brought destruction, loss, and death.  
 On perfect days it is easy to forget the suffering of others.  
 Lord, help us to be present for them; to be a source  
 of help and hope as they seek to rebuild their lives.

Lord, we continue to pray for peace in our country  
 and our world and for wisdom among the world's leaders as they  
 guide us through difficult times.

Hear our prayers also for all on our prayer lists  
 and those who care for them;  
 those who are ill, those struggling with chronic conditions,  
 and every person who feels diminished and bereft of hope.  
 God, abide with them and us, and let us all experience  
 your healing presence every day.

Amen.
